

Potrero Terrace & Annex - BRIDGE Housing Bus Tour

Please Join Us

For a Bus Tour of completed HOPE VI and San Francisco affordable housing developments. The tour will give you an opportunity to see how other public housing communities have been rebuilt and the types of unit and project amenities that were integrated. We will be providing everyone disposable cameras (we'll develop the film) so you can take pictures of elements you like and don't like. We will have the images developed prior to the next large community meeting, where we will discuss these images as well as the input generated through the group exercise at the September 15th meeting.

When: Saturday, October 18, 2008 – 10:30 am to 2:30 pm

Where: Meet at the Housing Authority Leasing Office: 1095 Connecticut Street

RSVP: Seating is limited so please RSVP by Monday, October 6, 2008.
