

REBUILD POTRERO

Summary From April 17th Open Space Community Meeting

Innovative Ideas:

- Close one or more streets adjacent to park to expand area (24.5 st. between Connecticut and Missouri).
- Create a showcase garden program where residents can adopt an garden area and nurture it. Could involve community garden groups.
- Create a water feature descending with the main stairs along Connecticut. Potential for fountains, waterfalls, and pools.

24th Street Central Park

Main recurring items:

- Lots of benches and picnic areas
- Stair mosaic
- Flexible lawn area (throughout and in SE corner)
- Outdoor exercise area (tai chi)

Items mentioned by a couple groups or individuals:
